

Model Code of conduct

Maintained school governing boards

Grand Avenue Primary & Nursery School 2024-25

Introduction

This model code is based on the 2022 NGA template with recommended best practice additions from AfC annotated in blue (* denotes an updated/new statement). This document is designed to serve as a template for you to adopt/amend at local level.

The code clearly sets out the expectations and commitment required from everyone involved in school governance, to ensure its work within the school and the community are conducted in an effective manner. The code is aimed at school governors, associate members and clerks and can be amended to reflect the structure and ethos of each school setting.

AfC Governor Support recommends:

- Boards annually review and ratify the Code to ensure it remains fit for purpose;
- All members of the board annually sign the Code to evidence their commitment to the expectations placed upon them;
- Boards utilise the Code when recruiting and inducting new governors;
- All newly appointed governors sign the code in line with their appointment;
- Chairs utilise the Code to reinforce expected conduct and expectations, when necessary;
- Clerk facilitates all members signing the Code and files the document in order to evidence this process.
- Boards are encouraged to publish their Code of Conduct on your website.

Code of Conduct – (Grand Avenue Primary and Nursery School)

Academic Year 2024-25

As a Board, we will focus on our strategic functions:

- ensuring there is clarity of vision, ethos and strategic direction
- holding executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
- overseeing the financial performance of the organisation and making sure its money is well spent
- ensuring the voices of stakeholders are heard

As individuals on the board we agree to:

Fulfil our roles and responsibilities

- We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day to day management of the school/s.
- We will develop, share and live the ethos and values of our school/s.
- We agree to adhere to school policies and procedures as set out by the relevant governing documents and law.
- We will work collectively for the benefit of the school/s.
- We will be candid but constructive and respectful when holding senior leaders to account.
- We will consider how our decisions may affect the school/s and local community.
- We will stand by the decisions that we make as a collective.
- Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
- We will only speak or act on behalf of the board if we have the authority to do so.
- We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
- When making or responding to complaints we will follow the established procedures.
- We will strive to uphold the school's reputation in our private communications (including on social media).
- *We will have regard to our responsibilities under the [Equality Act](#) and will work to advance equality of opportunity for all.

Demonstrate our commitment to the role

- We will involve ourselves actively in the work of the board, and accept our fair share of responsibilities, serving on committees or working groups where required.
- We will make every effort to attend all meetings and where we cannot attend we will explain in advance, where possible, why we are unable to do so.

- We will attend meetings prepared, having read all papers in advance, ready to make a positive contribution and observe protocol, providing a reason for your absence. Governor's are expected to attend 80% of meetings during the governance year (unless there are extenuating circumstances).
- We will get to know the school/s well and respond to opportunities to involve ourselves in school activities.
- We will visit the school/s and when doing so will make arrangements with relevant staff in advance and observe school and board protocol. We will visit a minimum of once per year, however, will strive to visit once per term.
- When visiting the school in a personal capacity (i.e. as a parent or carer), we will continue to honour the commitments made in this code.
- We will participate in induction training and take responsibility for developing our individual and collective skills and knowledge on an ongoing basis (**through attending a minimum of three CPD sessions per academic cycle**) and committing to refreshing our training every 3 years.
- We commit to work collectively to embed a culture of effective succession planning. This will be achieved by identifying successors, nurturing and mentoring talent to ensure smooth transition of leadership roles i.e. chair, vice chair, chairs of committees and link governor positions. As individuals we will complete an annual evaluation audit to identify strengths or areas for leadership development within the board.
- All governors must familiarise themselves with their responsibilities in line with [Keeping Children Safe in Education September 2024](#) statutory guidance and complete the AfC eLearning: Safeguarding for Governors training module.
- All new governors must complete AFC New Governor training within the first term (where training is available). All governors must renew training every three years/per AFC guidance (whichever is soonest).
- We collectively acknowledge it is best practice for two designated safeguarding link governors to be in place at all times and complete AfC training - Safeguarding the Governing Board's Role.
- We will comply with the school to instigate the application of an enhanced Disclosure and Barring Service (DBS) check and Section 128 direction check within 21 days of appointment to the Board. [Governors recognise that failure to comply with these requirements will disqualify them from holding office.](#)

Build and maintain relationships

- We will develop effective working relationships with school leaders, staff, parents and other relevant stakeholders from our local community/ communities.
- [We will work to create an inclusive environment where each board member's contributions are valued equally.](#)
- We will express views openly, courteously and respectfully in all our communications with board members and staff both inside and outside of meetings.

- We will support the chair in their role of leading the board and ensuring appropriate conduct
- We will act as individuals and acknowledge that as governors we are representatives of our category of governorship, opposed to representatives for parents or staff stakeholder groups and are primarily appointed based on the skills and experience that we bring to the board.

Proceedings of the governing board

- As a corporate body, we agree the principles and protocol of adapting to virtual meetings if deemed necessary.
- As a corporate body, we agree to make quorate decisions by email, if deemed necessary/urgent and such decisions will subsequently be formally ratified and minuted at the next scheduled meeting.

- If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
- We accept that the Register of Business Interests will be published on the school's website.
- *We will act as a governor; not as a representative of any group
- We will act in the best interests of the school as a whole and not as a representative of any group.
